

# The CMLTO Voluntary Roster

## WHAT is the Voluntary Roster?

The CMLTO Voluntary Roster consists of Registered Medical Laboratory Technicians who have voluntarily met a series of educational and professional practice requirements. The Roster shares relevant practice information about these professionals to support the public's ability to make informed decisions about their healthcare practitioners.

## WHY join the Voluntary Roster?

Have your credentials reviewed and if approved use the title **Registered Medical Laboratory Technician**.

Access to CMLTO resources including a **Professional Portfolio** and its newsletter, **FOCUS**

Demonstrate to the public that you are a **verified and qualified laboratory professional**

## HOW do I join?

Review the CMLTO Voluntary Roster criteria

Complete an application and submit your documents

CMLTO staff will review your application

If approved, you will pay a registration fee

Join the roster and receive your welcome package
