Southlake Health is a full-service hospital with a regional, clinically advanced focus. We provide our communities with care right from birth to end of life and in addition, we provide top-notch services such as cardiac and cancer care across York Region and Simcoe-Muskoka. We do this through innovative partnerships and amazing people, who represent every aspect of our many services. With a team of more than 3,000 employees, 580 physicians and more than 900 volunteers, Southlake is committed to creating an environment where the best experiences happen.

What Southlake Health has to offer you!

- Professional/educational development opportunities
- Educational assistance and tuition reimbursement
- Employee and Family Assistance Program
- Staff On-Site Gym
- Incentive Programs

About the role:

The Medical Laboratory Technologist (MLT) in Pathology provides a professional service in laboratory analyses and interpretation all areas of Pathology. The MLT contributes to the hospital's goal of providing accurate and timely results in a manner consistent with professional standards. The MLT is a technical resource to staff, physicians, internal and external customers.

Qualifications, Knowledge, Skills & Abilities:

- Graduate from a recognized Medical Laboratory Technology program and CSMLS certification as a General MLT
- Member in good standing with the College of Medical Laboratory Technologists of Ontario (CMLTO)
- Demonstrates excellence in communication, both written and verbal
- Analysis / problem assessment
- Innovative and willing to learn
- Commitment to customer service and teamwork
- Demonstrates individual leadership skills
- Models behaviour that is aligned with the values of Southlake Health

Regular and reliable attendance is an expected requirement of this position.

At Southlake, we are committed to fostering an inclusive and accessible environment. We are dedicated to building a workforce that reflects the diversity of the community in which we live and serve, including those with disabilities. Southlake is committed to providing accommodations in all parts of the hiring process. If you require an accommodation, we will work with you to meet your needs. It is the responsibility of all Southlake employees to work in a safe manner and promote health and safety in the workplace.
